*Celebrating Over 50 Years of Service*

Greetings!

Chances are that at some point in your life, you or a person you care about has been helped by the services of professional counselors. Our mission is uniquely focused on the promotion of human growth and development. Counselors work in both educational (schools and universities) and community agencies (mental health, primary care, etc.) providing services ranging from primary prevention to direct care. We are a large group of professionals who are certified and licensed by the State of Maine and aligned with the national standards of the American Counseling Association.

This year, the Maine Counseling Association Annual Conference is on April 4<sup>th</sup> and 5<sup>th</sup> at the Samoset Resort in Rockland. Several hundred counselors from across the state will attend this conference where there is an opportunity to participate in cutting-edge training and to address issues relevant to our communities. We are inviting you to assist our profession by sponsoring the conference and our continued work.

You may help us celebrate with any donation that is affordable. Your business name will be acknowledged in our conference brochure, our newsletter, and at our general business meeting. Additionally, those who contribute \$100 (silver), \$500 (gold), or \$1000 (platinum) will receive special recognition. Checks should be made to: ***The Maine Counseling Association***, mailed to: ***Andrea Hallett-Treasurer, 388 Creasey Rd, Mapleton, Me., 04757***. Again, any amount of sponsorship that you can provide would be greatly appreciated and your contribution may be tax deductible as we are a Non-Profit organization.

Thank you so much for considering this request. You can find more information about the Maine Counseling Association and our mission, as well as information about the conference at: [www.mainecca.org](http://www.mainecca.org)

Sincerely,
