**MAY 31<sup>ST</sup>**

**2:00 PM**

## **Going Merry! A one stop shop for scholarships!**

Going Merry makes it easy for students to find and apply for scholarships and simple for providers to manage them. In this session, cofounder Charlie Maynard, will show you how students can apply directly to local and national scholarships and the tools available to you as counselors. Going Merry's mission is to give every student equal access to life-changing education through scholarships. This webinar will include a live demo and offer participants to ask questions live.
